CLASS HISTORY

September of 1947 found fifty-eight first graders timid and shy entering a new phase of life. After eight years of "reading, writing, and arithmetic taught to the tune of a hickory stick," found thirty-seven of us receiving eighth grade diplomas.

Each year we lost some students and each year we gained new ones. Our Freshman year was no exception.

September of 1955 found forty-one "Green Freshman," beginning another phase of life. With Mr. Coleman Burke as our sponsor we elected class officers. Eager to participate in the few activities offered, our class spontaneously joined. We were well represented in the Willisburg High School Chorus which was formed this year. May 5, 1956 we enjoyed a trip to Coney Island. With the usual end of the year activities, we finished our first year of high school.

Next September we took our places at Willisburg High School as sophomores. With self-assurance and determination, our sponsor was Charles Pearce.

This year we enjoyed several parties. On May 4 we enjoyed a trip to Coney Island. This year ended quickly and happily and we found ourselves half way through high school.

September came soon and we found ourselves "Jolly Juniors," with an enrollment of thirty-two and our sponsor Miss Edna J. Smith. About the usual number of activities were offered with the usual number participating. The highlight of this year was our Junior Play "Calm Yourself." We enjoyed another trip to Coney Island and entertained the Seniors with a party at Lincoln Park Clubhouse.

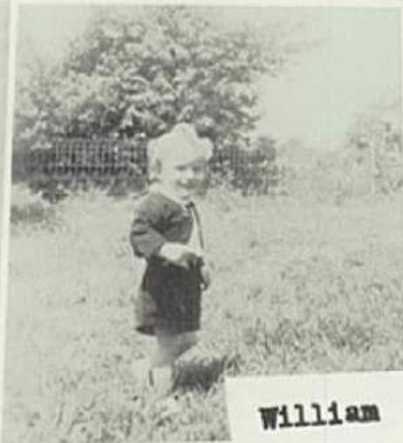

The summer months passed fast and September was here again. We had lost Sharon Denham, Linda Shewmaker, Blondie Dean, and Ralph Terrell leaving our graduating class with an enrollment of twenty-six with Mrs. Harry Settles as our sponsor. To begin the year class officers, annual staff, and the senior play cast were chosen. The play "This Ghost Business" was a big success.

We are looking forward to a Senior Trip at the end of the year and the usual Commencement Activities and then to another phase of life.

CLASS WILL

We the class of 1959, leaving this school with sound minds and well trained memories do make and publish this, our last will and testament.

James Barnett leaves to Jimmy Pinkston his ability to graduate without missing but one day of school in twelve years.

Nancy Baker wills her witty ways to Linda Thompson in hopes she will enliven the Junior Class.

Betsy Royalty leaves to Devola Holiday a flashy third finger, but Devola will have to manage to get the ring to go on it. (She's working on it).

Shelby Montgomery wills her quiet, still ways to Johnnie Noel who is never quiet nor still.

Dewayne Kyler leaves his full measure of height to Jerry Birch. He will be needing it on the basketball floor.

Carroll Coulter leaves his ability to become engaged early in life to Alfred Taylor who seems to be doing real well himself.

Sherrell Cornish leaves his motorcycle gang to Danny Wilson.

Walter Harlow leaves to Micheal Birch his ability to give book reports without reading the book.

Carolyn Goff just left in a black Chevrolet that she wouldn't give to anybody. No, I believe it's a green '55 now.

Donna Scott gives Shirley Cheatham her dislike for school but ability to get her lessons anyway.

Gerald Derr wills to Bruce Welch his ability to hold a smoke session in his car at noon.

Jerry Pinkston leaves his hot-rods and motorcycle races to Bruce Barr.

Tommye Crouch leaves the keys to the teacher's Pontiac to anyone he will risk with them.

James Carney wills his skill for getting out of traffic violations with just a warning ticket to Roy Burkhead.

Paul Hardin leaves his quiet manner to Jackie Harlow.

Burnis Hood leaves his card playing to Billy Foster.

David Haydon wills his good luck of not being hurt when running his car over banks to Bobby Griffey.

Jolene Thompson wills to Barbara Kays her like for the Mackville boys.

Judy Powell leaves her quiet disposition to her sister, Sue Ann, in hopes she will be dignified by the time she is a senior.

William Hiter leaves his answers to all the tests to any of the Juniors who can sneak them out.

Bobby Harlow leaves his skill for traveling roads under construction to Gene Wells.

Dennis Keeling wills his ability to sneak his classmates to Willisburg at lunch to Don Carney.

The giggles Laverne Scott has carried through high school is left to Joanne Perkins.

Willard Cheatham wills his ability to get his picture in the Courier-Journal to anyone who can pull the ropes.

Wayne Scott wills his ability to out run Asa Wilson in the hall without Mr. Ryan seeing them, to Teddy Gillis.

In, witness, whereof, We, the Class of 1959, set our seal this last day, May 22, 1959.
